[Before you MAGA fiends flood DC with more patriotism than has been seen in decades please take this into consideration...](#)

If you are going by yourself. Don't go alone. Find a MAGA Buddy. Antifa and crooked law enforcement love to target stragglers coming and going from events.

At the least move in pairs. Groups of 20 to 40 are better. US Militia will be there. Proudboys, Oathkeepers, and 3% are already starting to co-ordinate. Get in touch with them beforehand. Be prepared.

Above all else bring a flag to wave and your MAGA High Dragon Energy!

1/6/2021 It's GO TIME!

There will be plenty of people around.

Introduce yourself. And buddy up.

Safety in numbers. Head on a swivel.

than definitely don't go solo. also, if you group up, someone may hook you up with a gun. if people are going to be breaking DC laws anyway, why stop at just 1.

Maybe hang your flag from a real pipe, not just a plastic one, for self defense.

I think it is better to go to DC a week or 2 early to avoid any shenanigans preventing you to join the rally.

Good idea if you have that kind of timeframe.

This is true. People after the Maga March were attacked walking in front of union station and it was still light out. I was in an Uber driving near union station and saw an old man wearing a flag sweater and a red MAGA hat walking by himself a couple blocks. I was so worried about him and my friend and I regretted later that we did not get out of the Uber and walk with him. Learned in the news that people were attacked in front of the station later that day, although I never saw anything about the old man that we saw.

If I'm going alone, I'm dressing up like BLM and will find a group to join.

Tried to join but the first page asking for birthdate isn't working. Not that I would give a real date, but it won't accept ANY date.

Fold up a paper street map and keep in in your pocket. Not kidding. Know how to get out of whatever area you're in without going to a worse one. Stay aware.

And know how you're going to get INTO DC if they block VA's bridges. Best to have a DC hotel all lined up, with secure parking.

DO NOT be alone on DC's streets.

Try to go a couple days in advance to look the area over.
